

Reality Hacks '21 Participants' Guide (Answers to everything)

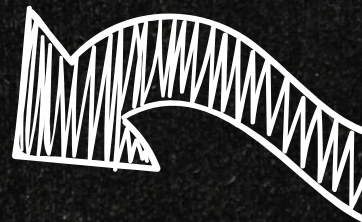

GDSC IGDTUW

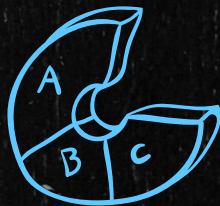

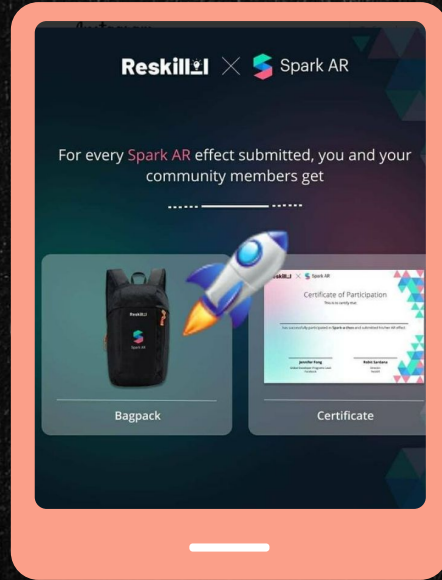

Details of the Event

What is it? What will you get?

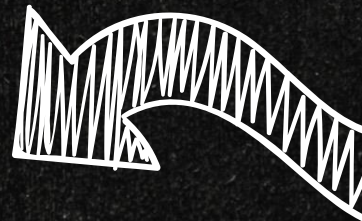

About

Reality Hacks is a hackathon where students will be learning about Spark AR and get rewarded with cash prizes upto 600\$ and swags+certificate for every successful unique submission.

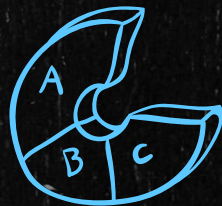

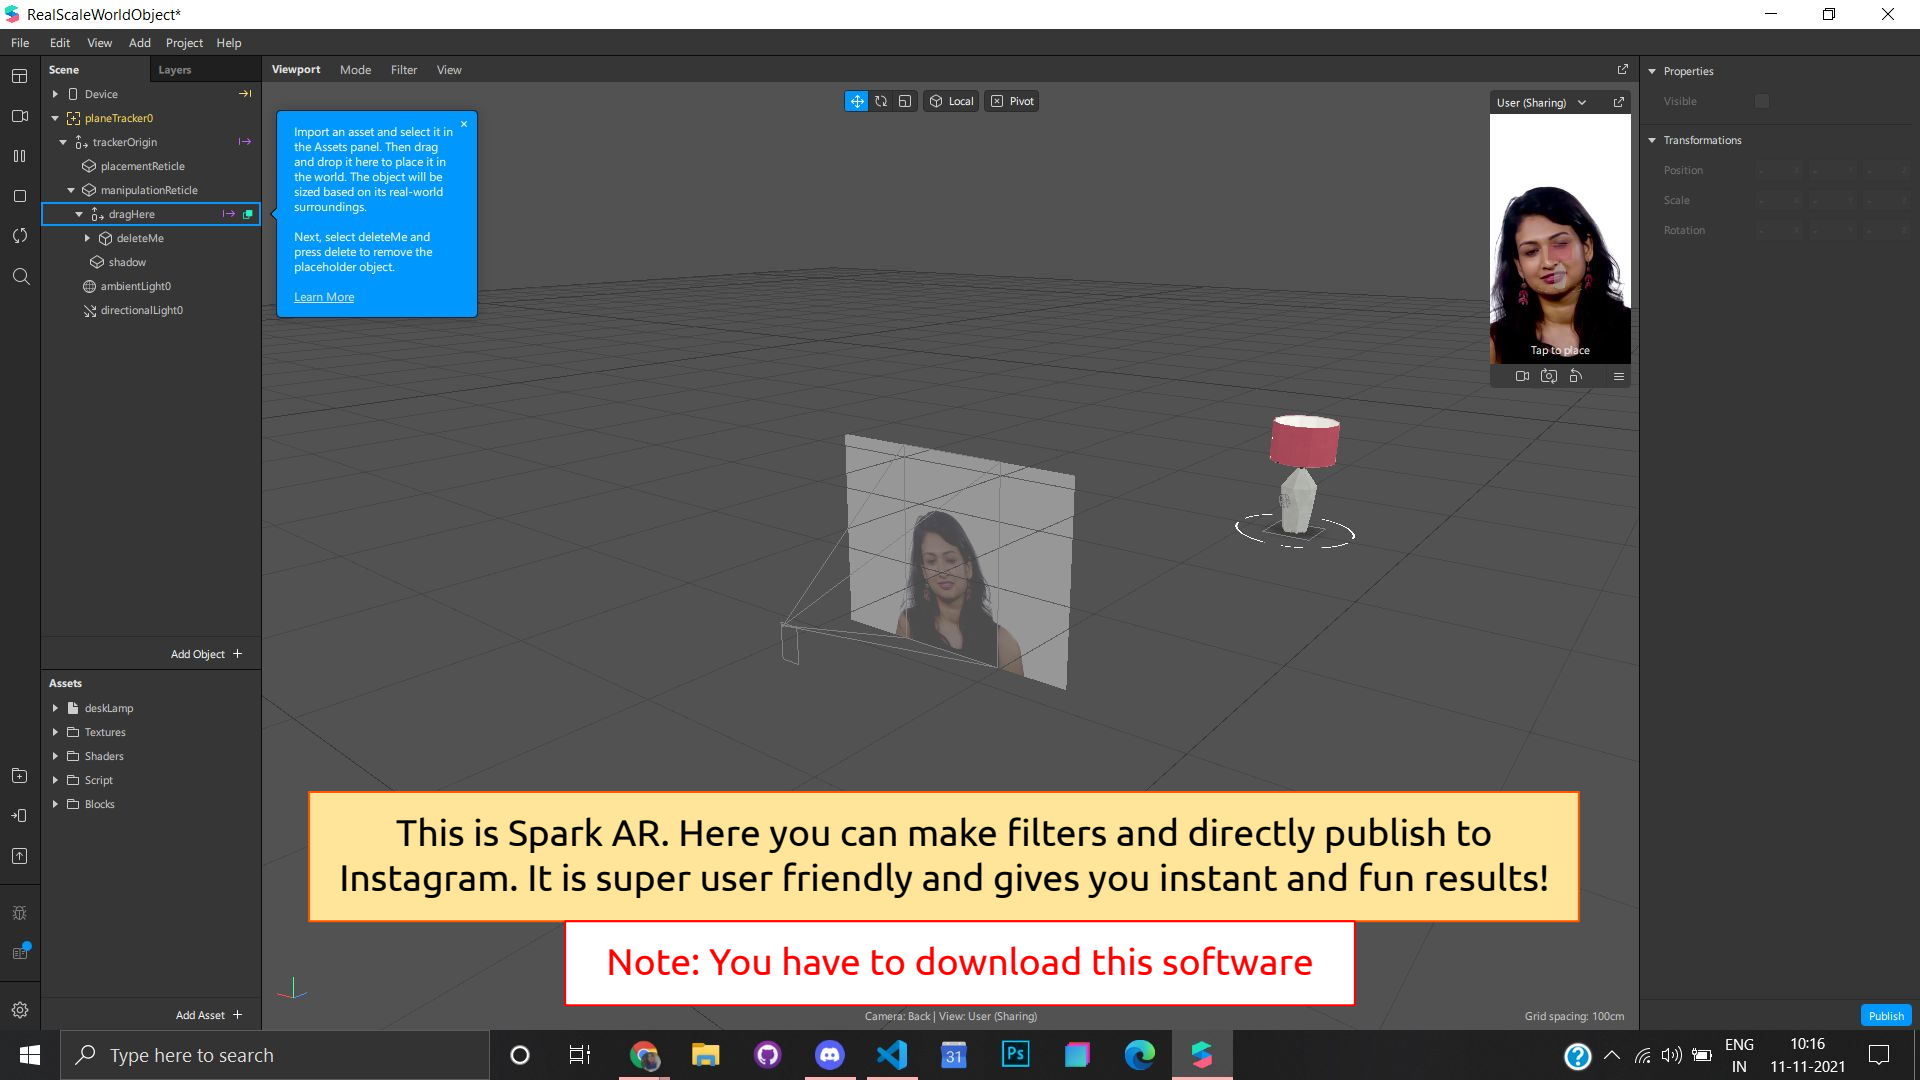

Plan To Succeed

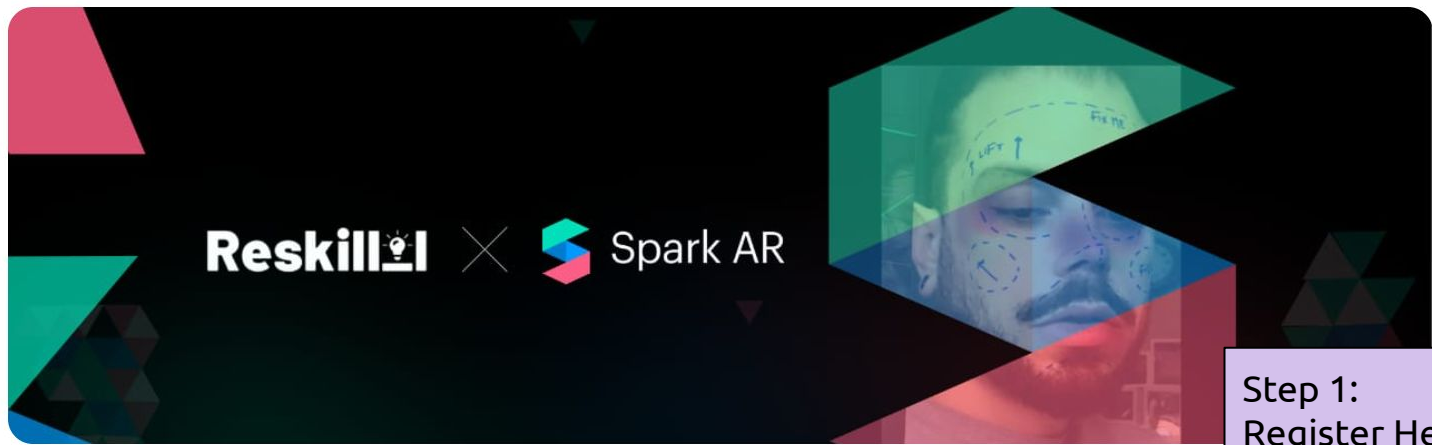

How to go about it?

This is Spark AR. Here you can make filters and directly publish to Instagram. It is super user friendly and gives you instant and fun results!

Note: You have to download this software

Reality Hacks '21 Participant Role

React to this message with a 🥰 to get the @🥰Participant-RealityHacks'21 role

33

November 11, 2021

poojagera0_0 Today at 12:32 AM

@everyone please take the participant role for participating in Reality Hacks '21

What will you have to do?
Submit an AR filter built with SparkAR.

What kind of filter?
The ones you see on Instagram, yes you'll be able to publish it on Instagram and flaunt it too.

How will you do it?

@ Participant-RealityHacks'21

Category 1: "Which are you" filters

Ideas:

- Which quirk do you have? (From My Hero Academia)
- Which assassin are you? (From Classroom Assassination)
- Which tailed beast are you? (From Naruto)
- Which member from the Tokyo Manji Gang are you? (From Tokyo Revengers)
- Which female / male singer are you?
- Which bikini bottom character are you? (From Spongebob)
- Which eternal are you? (From Marvel)
- Which Disney princess are you?
- Which member from the Suicide Squad are you? (From DC)
- Which lays packet are you? (different colors and flavors)
